

## Week Three Activity

This week's assignment looks at the Gary Adler videos and chapters 1-3 in the text

### Across

- In terms of religious participation, this church has experienced the greatest loss. [CATHOLIC]
- True or False: This study reveals that religious participation is twice as strong in poorer societies than in richer ones. [TRUE]
- Defined by the authors as a "Systematic erosion of religious practices, values, and beliefs" [SECULARIZATION]
- Author who introduced the idea of the "Cult of the Individual" [DURKHEIM]
- Author who wrote regarding the "Sacred Canopy" [BERGER]

### Down

- The shift in production from fields and factories toward white-collar, knowledge-based professions and management is the classic definition of what type of society [POSTINDUSTRIAL]
- The prominent religious culture in the US [PROTESTANT]
- The authors claim that the United States remains an outlier among postindustrial societies, having a public that holds much more traditional worldviews than that of any other rich country except \_\_\_\_\_. [IRELAND]
- Author who wrote regarding ritual rites of passage [TURNER]
